

You are cordially invited
to participate in the

18th Annual Doubles by the Dunes Championship

to benefit the
New York Junior Tennis League

Saturday, August 13, 2011
at East Hampton Indoor Tennis

Lunch & Calcutta at 1:00 pm
Championship Play at 2:00 pm
Semi-Finals at 5:00
Finals at 5:30

Come play in this fun and challenging round-robin tournament and enjoy a beautiful day at East Hampton Indoor Tennis in East Hampton, N.Y. Following a delicious lunch and lively Calcutta bidding on teams, the tournament play will start at 2:00 pm.

All players, men and women, and all levels are invited to participate! You may enter with a partner, bring a pro as your partner, or enter alone and we will provide you with a pro as your partner. Teams are handicapped to even out the competition, and bisques are awarded to be used as points at strategic moments in a match. All teams are "auctioned off" before the tournament begins, and half of the Calcutta proceeds go to the winning "owners" and half goes to benefit the NYJTL.

For teams entering the competition, a tax-deductible entry fee of \$1000 per team includes lunch, an afternoon of tennis, and the opportunity to participate in the calcutta. Two players may choose to split the entry fee, or one player may pay for both. If you enter as a single, the fee is \$1200, and we will provide you with a tennis pro as your partner.

Up to twenty-four doubles teams compete and everyone plays at least 3 hours! Members of the winning team and the runners-up each receive a trophy, and all participants receive a personal commemorative gift.

Most importantly, this event enables the New York Junior League to continue enriching the lives of our city's youth through the character-building sport of tennis. All proceeds will go towards continuing the programs of the NYJTL. The New York Junior Tennis League is a 501(c)3 organization founded 40 years ago by Arthur Ashe, Charlie Pasarell and Sheridan Snyder to introduce inner-city children to the sport. Today, the League provides free tennis instruction, as well as academic college guidance counseling, to over 110,000 school children in New York's five boroughs and Westchester County.
