ABOUT NEW YORK JUNIOR TENNIS LEAGUE

Since 1970, NYJTL has provided comprehensive school and community tennis and education programs throughout New York City's five boroughs serving more than 100,000 youth from ages 6-18.

Our mission is to develop the character of young people through tennis, emphasizing the ideals of our co-founder Arthur Ashe, which include humanitarianism, leadership and academic excellence.

NYJTL's annual Spring Community Tennis Program proves FREE tennis lessons, tennis equipment, competition and special field trips to children ages at various locations throughout New York City.

Children can sign-up at any NYJTL program location during the season - there is no registration deadline. A parent or guardian must register in-person with their child at the location they choose to attend. Saturday program hours are available at Youth Tennis Center (YTC) locations.

For more information, visit www.nyjtl.org.
