2017-18 Winter Tournament Team Tryouts

Monday – Wednesday 8/21-23/2017

Our 2017-18 Winter Tournament Team (TT) Program is led by Elena Bantovska, Rick Ferman, Liezel Huber, Tony Huber, Katerina Sevcikova and Chris Dong. The program is designed to help players ages 8-18 develop necessary skills to be successful competitive tennis players. Team members receive instruction and practice learning effective technical, tactical, footwork, and mental skills. Our emphasis on physical training is specific to tennis and includes improving flexibility, agility, and core strength.

Note: NYJTL and CLC will provide financial support to children who need help in order to participate. Scholarships will be awarded to players based on merit and for those who have financial need. Applicants should demonstrate passion for tennis, athleticism and talent.
