

CARY LEEDS CENTER for tennis & learning

Liesel & Tony Huber Lead The Cary Leeds Center for Tennis & Learning!

After a very successful summer, the Hubers have decided to make New York their home. Liesel has been appointed Executive Director of Tennis and Tony has been named Director of High Performance Tennis effective Monday, September 4.

Liesel spent 199 weeks as the #1 Doubles player in the world, won 7 Grand Slam Doubles titles and is a three time Olympian!

Tony coached Liesel to #1 in the world as well as numerous professional players over 15+ years on the WTA Tour.

Liesel and Tony welcome you to join them on court at the Cary Leeds Center this Fall, beginning September 14!

Expect to hear from the team in the next days as we update pricing and finalize details!

The mission of New York Junior Tennis & Learning is to develop the character of young people through tennis and education for a lifetime of success on and off the court.

About the Cary Leeds Center for Tennis & Learning:

The \$26.5 million Cary Leeds Center for Tennis & Learning is the flagship home of NYJTL. The award-winning facility includes a two-story 12,600 square foot clubhouse with classrooms, access to 20 courts with 10 covered during the winter months and two stadium and exhibition courts, which seat up to 800 spectators.
